2. The term "Employee," as used in this agreement, shall mean all professional employees represented by this Association in the bargaining unit as defined and certified by the Public Employment Relations Board.
3. The term "Association," as used in this agreement, shall mean the Okoboji Education Association or its duly authorized representatives or agents.
4. The term "bargaining unit," shall mean all of the employees covered by PERB certification whether members of the Association or not.
5. For the purposes of this Contract, Seniority shall mean all continuous service since the last year of hire by the Milford Community School District or the Okoboji Community School District.

Any leave taken pursuant to this Contract shall not constitute a break in service.

ARTICLE II

GRIEVANCE PROCEDURE

- A. A grievance shall mean a complaint that there has been alleged violation, misinterpretation, or misapplication of any of the provisions of this contract.
- B. Every employee, group of employees or the Association covered by this agreement shall have the right to present grievances in accordance with these procedures.
- C. Association grievances, group grievances and grievances involving more than one supervisor or an administrator above the building level may be filed at Step 3.

- D A grievant may be represented at all steps by her/himself or a representative of his/her choosing.
- E The failure of an employee(s) or the Association to act on any grievance within the presented time limits will act as a bar to any further appeal and an Administrator's failure to give a decision within the time limits shall permit the grievant(s) or the Association to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- F Any investigation or other handling or processing of any grievance by the grieving employee(s) or the Association shall be conducted so as to result in no interference with or disruption of the school instructional program.

G Procedure:

Step 1: An attempt shall be made to resolve any grievance in an informal, verbal discussion between the grievant and his or her immediate Supervisor.

Step 2: If the grievance is not resolved informally, the aggrieved employee(s) or the Association may file the grievance in writing. The grievance shall be filed in writing within twenty (20) school days from the occurrence of the event giving rise to the grievance or from the date that the grievant would have reasonably known of it.

The grievant(s) or the Association shall meet with the Supervisor, at a mutually agreeable time, following the filing of the written grievance and discuss the matter.

The written grievance shall state the nature of the grievance, the clause or clauses violated and the remedy requested.

The Supervisor shall make a decision on the grievance and communicate it, in writing, to the employee(s) and the Association within ten (10) school days of the date of the Step 2 meeting. The written decision shall include the reasons for the decision.

Step 3: If the grievant(s) or the Association is not satisfied with the disposition of the grievance at Step 2, they may file, within ten (10) school days of the receipt of the written decision, the grievance with the Superintendent.

The grievant(s) or the Association shall meet with the Superintendent or his/her designee, at a mutually agreeable time following the filing of the grievance at Step 3, to discuss the matter.

The Superintendent or his/her designee shall make a decision on the grievance and communicate it in writing to the employee(s) and the Association within ten (10) school days of the date of the Step 3 meeting. The written decision shall include the reasons for the decision.

Step 4: If the grievant(s) or the Association is not satisfied with the disposition of the grievance at Step 3, he/she, may, within fifteen (15) school days of the receipt of the written decision from the Superintendent or his/her designee request in writing that the Association submit the grievance to Arbitration. If the Association determines that the grievance has merit, it may, by written notice to the Superintendent within twenty (20) school days of the receipt of the request by the aggrieved, submit the grievance to Binding Arbitration.

H. Binding Arbitration:

1. Within ten (10) school days after the written notice to the Superintendent, the Superintendent or his/her designee and the Association shall attempt to agree on a mutually acceptable Arbitrator. If the parties are unable to agree on an Arbitrator, a request for a list of five (5) Arbitrators may be made to the Iowa PERB by either party.

2. The parties shall meet within five (5) school days of the receipt of the list of names and shall pick an Arbitrator by alternately striking names until only one name is left; that person shall be the Arbitrator. If the individual picked cannot or will not serve, the parties may, by mutual agreement, go to that individual who was struck last. If either party objects, a new list will be obtained from Iowa PERB and an Arbitrator picked according to the rules already laid down. The party who picks first will be determined by the parties or in the event of a disagreement, by lot.
3. The Arbitrator selected will confer with both parties and will hold hearings promptly and will render his/her decision no later than thirty (30) days from the date of the close of hearing, or if oral arguments have been waived, then from the date the final statements and proofs have been received by him/her.
4. The Arbitrator's decision will be in writing and will set forth the finding of fact, reasoning and conclusions on the issues submitted.
5. The Arbitrator will be without authority or power to make any decision in violation of the contract and may not amend, nullify, ignore or add to the provisions of the agreement and will decide only on the issues presented based on the language of the contract.
6. If any question arises as to arbitrability, such question will first be ruled upon by the Arbitrator. The Arbitrator shall decide all substantive and procedural arbitrability issues arising under this agreement. The merits of a grievance and the substantive and procedural arbitrability issues which may arise shall be consolidated for hearing before the Arbitrator.
7. The costs of the services of the Arbitrator, including per diem expenses, if any, and travel, subsistence costs and cost of the meeting room will be equally divided between the parties. All other costs will be borne by the party incurring them.
- I. Year-End Grievance:

In the event a grievance is filed at such a time that it cannot be processed through all the steps in this Grievance Procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, would result in irreparable harm to the aggrieved party, the time limits set forth herein shall be reduced so that the Grievance Procedure may be exhausted prior to the end of the school year or within a maximum of twenty (20) calendar days thereafter.
- J.
 1. All days shall be normal work days.
 2. All timelines may be changed or reduced by mutual agreement.
- K. Forms which may be used for the filing of grievances are included as Schedule D. These forms are not mandatory and the written grievances need only to conform to the criteria listed in Step 2.

Further, the Superintendent or designee may limit the number of teachers leaving on the same day to the number of available substitutes. The employee taking such personal leave shall have deducted from the employee's salary the amount of money which the District is paying a substitute teacher at that time, whether or not a substitute is actually obtained.

E. Jury Duty:

Employees in the Okoboji Community School District shall continue to receive their regular compensation when called for jury duty, provided that they shall remit or turn over to the Okoboji Community School District that compensation, except for mileage reimbursement, which they receive from jury duty.

TRANSFER PROCEDURES

Such statement shall include the grade and/or subject to which the employee desires to be assigned and the building or buildings to which the employee desires to be transferred, in order of preference. Such request for transfer and reassignment for the following school year shall be submitted not later than May 1 (December 1 for the second semester).

D. Qualified Volunteers:

No position shall be filled by means of involuntary transfer or reassignment if there is a qualified volunteer available to fill said position.

E. Notice:

Notice of an involuntary transfer or reassignment shall be given in writing to employees as soon as practical and in no case later than June 1, except in case of emergency.

F. Procedure:

1. Voluntary Transfer:

In the determination of requests for voluntary reassignment and/or transfer, the wishes of the individual employee shall be honored to the extent that the transfer does not conflict with the instructional requirements of the school system. No such request shall be denied arbitrarily, capriciously, or without basis in fact. If more than one employee with certification has applied for the same position, the determination as to which employee shall receive it shall be made on the basis of seniority.

2. Involuntary Transfer

If the involuntary transfer or reassignment is necessary, employees will be transferred in reverse order of seniority. Employees with the least seniority in the subject area or grade level in which the involuntary transfer is necessary will be transferred first.

G. Meeting and Appeal:

An involuntary transfer or reassignment shall be made only after a meeting between the employee involved, the Association representative and the Superintendent, at which time the employee shall be given written reason(s) therefore.

In the event that an employee objects to the transfer or reassignment on the basis of the reasons provided at this meeting, the employee may appeal the involuntary transfer or reassignment at the appropriate level of the Grievance Procedure, ARTICLE II.

H. Priority in Reassignment:

A list of open positions in the school district shall be made available to all employees being involuntarily transferred or reassigned. Such employees may request the positions, in order or preference, to which they desire to be transferred.

ARTICLE VIII

PROCEDURES FOR STAFF REDUCTION

When in the judgment of the Board of Education one or more employees are to be laid off because of, but not limited to, a change in size or nature of the student population, a reduction in program, merger or reorganization, or sharing programs, and/or budgetary limitations, the procedures shall be as follows:

- A. The Board shall attempt to accomplish staff reduction by attrition.
- B. In the event necessary reduction in staff cannot be accomplished by attrition, any teacher holding a temporary or emergency certificate will be terminated first.
- C. If staff reduction still has not been accomplished, the teachers with the least seniority will be terminated or reduced in contractual time as determined by the administration and Board, provided that the teachers who remain are certified and qualified to teach the classes that are offered. In the event that two or more teachers have equal seniority, the Board, in its opinion, shall base its decision as to the resulting contract renewal(s) on the relative skill, ability, and qualifications of those teachers.

ARTICLE IX

EMPLOYEE EVALUATION PROCEDURES

- A. Rationale:

The professional growth of teachers is a high priority of the Okoboji Community School District. The staff development plan will reflect current "best research and practices" in curriculum and instruction in order to ensure that teachers continuously improve. Since the achievement of students is an important measure of success of a school, such a philosophy regarding professional growth will maintain the focus on learning for both teachers and students.

- B. Notification - Assigned Employees:

Within two (2) weeks after the beginning of each school term, the building principal or designee will acquaint each employee under his/her supervision with the evaluation procedures, Iowa Teaching Standards, and instruments and the person responsible for conducting the evaluation. Those teachers who serve more than one building may be evaluated by each principal/supervisor in whose building they work, but will be assigned a home building whose principal will have primary responsibility for evaluation procedures.

- C. Procedures:

Clinical Model of formal evaluation will be conducted for the following teachers:

- a. New employees to the profession – Tier I evaluation as prescribed by state law
- b. Teachers on probationary status or new to the District – Tier II

c. Teachers on their designated year of a three (3) year cycle – Tier II

This type of evaluation will involve a pre-observation conference to discuss the goals and activities of the lesson(s), classroom observation(s), and a written evaluation report signed by both the teacher and the evaluator. This process should be completed in a timely fashion with a copy of the final written report given to the teacher within five (5) school days of the post conference. Both the principal/evaluator and the employee will sign the final written evaluation. A copy of the final written evaluation shall be sent to the Superintendent and kept in the teacher's personnel folder. The employee's signature does not necessarily indicate agreement with the report, only that it has been reviewed with him/her.

The evaluation will target teacher characteristics and skills as defined by the Iowa Teaching Standards

The building principal or designee reserves the right to assign teachers to the Intensive Assistance Plan – Tier III

2. Individual Career Development Plan will be used with all teachers in the District including new teachers and those on probationary status. This evaluation process is based upon the belief that teachers have the ability to analyze their professional characteristics and skills and develop ways in which to improve upon them.

All teachers involved in the Individual Career Development Plan will develop an individual plan in conjunction with the building principal or designee. This plan will relate to the goals of the District and/or the building, thus enhancing the educational mission. Individual Career Development Plans will be written for one year. The process for this model will include:

- a. By November 1, a written plan will be submitted to the building principal or designee detailing the goals, activities, timeline, and methods of assessing the results. This plan will be developed in consultation with the principal and/or designee and align with District and/or building level goals.
- b. By November 15, the building principal and/or designee will notify the teacher as to whether the individual plan is approved. If not approved, the principal and/or designee will provide suggestions so that the plan is acceptable.
- c. By February 1, the building principal and/or designee will receive a progress report from the teacher which will provide evidence that efforts are being made to reach the goals of the plan and explain any modifications underway. This report may be in the form of a brief written report or an oral conference.
- d. By May 15, or a time mutually agreeable to the teacher and principal/designee, a final report will be submitted detailing the results of the growth plan. Both the principal and/or designee and the teacher will sign this final report to indicate that it has been discussed.
- e. Self-assessment will be a key element of the evaluation of the plans.

There may be occasions where teachers decide to work collaboratively on Individual Career Development Plans. This is acceptable provided it receives approval of the principal or designee and each teacher submits an Individual Career Development Plan outlining his/her role in the plan.

D. Responses:

If the employee feels his/her written evaluation is incomplete, inaccurate, or unjust, he/she may put his/her objections in writing and have them attached to the evaluation report to be placed in the evaluation file at the Superintendent's Office. The file copy of such objections shall be signed by both parties to indicate awareness of the content.

E. Intensive Assistance:

The building principal or appropriate supervisor shall provide the employee with definite, positive assistance to improve the quality of teaching and to eliminate difficulties noted in any evaluation. Such assistance shall be noted in writing and an initialed copy retained by the appropriate supervisor, the employee and the Superintendent. A teacher being placed on the Intensive Assistance plan is a non-grievable occurrence, as per state law.

F. Evaluation File:

1. File Review

a. Each employee shall have the right at any time to review the contents of his/her file. A representative of the Association, at the employee's request, may accompany the employee in this review.

b. The Board or its administrative representative, including building principals, shall not establish any separate file which is not available for the employee's review.

2. Due Process:

a. The employee shall have the right to respond to all materials contained in said file and to any materials to be placed in said file in the future. Such employee responses become a part of said file.

b. Any complaints directed toward an employee which are placed in his/her file are to be called to the teacher's attention in writing.

c. Each employee shall have only one evaluation file. This file will contain all documents and information that deals with said teacher's evaluations. Only information from this file can be used in the evaluation of the employee.

d. The employee shall have the right to reproduce any of the contents in his/her file at District expense.

e. Any adverse criticism of a staff member by the evaluator shall be made and kept in the strictest of confidence.

f. No evaluation shall be arbitrary, capricious, or without basis in fact.

g. Any employee shall have the right to grieve their evaluation through the grievance procedure set forth in this contract.

ARTICLE X

Any additional premium costs for family coverage will be deducted from the employee's pay on a monthly basis. When both husband and wife are eligible for insurance benefits, each may apply their allowance toward family coverage. Teachers hired for less than full time will receive benefits in proportion to their time worked. For example: A teacher hired for 50% time will receive 50% of the benefits. E. Coverage:

Employees new to the district shall be covered by Board-provided insurance no later than one (1) month after initial employment. When necessary, payment of premiums in behalf of the employee shall be made retroactively or prospectively to assure uninterrupted participation and coverage.

F. Descriptions:

The Board shall provide each employee a description of the insurance coverage provided herein within ten (10) days of the beginning of the school year or date of employment, which shall include a clear description of conditions and limits of coverage as provided above. The Board will be responsible for providing insurance information in the form of applications and enrollment meetings.

G. Continuation:

In the event that an employee, absent because of illness or injury, has exhausted sick leave accrual, the above mentioned benefits shall continue throughout the balance of the school year.

Employees on paid leave shall continue to have Board contributions made according to the level described above.

Employees on non-paid leave for one (1) month or longer shall have the option to continue any or all of the Board-paid programs by paying the premiums themselves to the Board within thirty (30) days of the billing date.
